

The [Romaine Test & Learn \(T&L\)](#) program has been extended for two additional years. As part of this extension, there are updates to the information required for each sample, and two new forms, in addition to the Data Form, the Ranch Form and the Method Form must now be submitted.

Where to find the forms:

- These forms may be found in the GreenLink Portal.
 - Go to <https://greenlinkdata.com/> login to your account.
 - Click on the blue “START” button, and click on download template

How to submit the forms:

- Go to <https://greenlinkdata.com/> login to your account.
- Click on the blue “START” button
- Click on “Upload Template Table”
- Select the “Method Verification” or “Ranch Form”
- Browse the matching template from your computer and click submit.

Form Deadline:

- Ranch and Method Forms are due **January 1, 2026.**
- Once both new forms have been submitted and pass quality review, they only need to be submitted once per year.

If new growers or ranches are added, WGA will reach out directly to gather any missing information.

Verification:

- After the forms are uploaded, a certificate confirming receipt will be sent.
- This certificate can be used for your next CA LGMA audit.

Sample Submissions:

- Sample results can continue to be submitted as before through:
 - Lab API
 - Uploading your personalized template
 - Using the new data submission template

Samples using the updated requirements are due **January 31, 2026.**

Program Information:

- Two webinars reviewing the updated program requirements have been recorded.
- These are accessible on the CA LGMA website: <https://lgma.ca.gov/technical-resource-library/romaine-test-learn-basics>
